

Recipient Entity: Beaufort County Sheriff's Office

Project: Crime Lab

Justification of Request/Public Benefit: The BCSO Forensic Lab and Device Extraction Lab support all surrounding agencies. The Extraction Lab partners with 14 other law enforcement agencies throughout South Carolina to conduct cellphone extractions. The funds will guarantee the partnership's continuation by paying for licensing and equipment needs. This partnership has expeditiously resolved murders, missing persons and other major crimes throughout South Carolina, while reducing the workload of the SLED lab.
